<sup>(1)</sup> On-site audits are carried out in Year 1, 2 and every 3<sup>rd</sup> year thereafter.

<sup>(2)</sup> Mock Audits are optional. They aim to assist the establishment in preparing for the final audit.

Green Key applicants will pay the non-refundable application fee upon submission of the Green Key application and once deemed audit ready. After the establishment is audited by an independent third party auditor and is approved by the Green Key National operator, the auditor fee is paid in order to receive the Green Key Certification, awarding the establishment international Green Key recognition. A handover takes place between WESSA & the establishment.
